TO WHOM IT MAY CONCERN

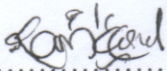

The purpose of this is to provide a character reference for Mr. Wan Harris Zaky Hj. Ibrahim whom I have known as a colleague for a period of three years.

As an engineer, Wan Harris Zaky Hj. Ibrahim is a hard-working and highly committed to his work. I believe that his excellent working record will attest to that fact. In addition, he was quite involved in a number of projects including RTB Personnel Information System and TV program show awards held annually. In fact, he is always willing to help someone out; Wan Harris Zaky Hj. Ibrahim was very popular with his fellow colleagues.

As a friend, Wan Harris Zaky Hj. Ibrahim is a standout. He is a loyal, honest, considerate, and supportive individual who has the ability to see and understand things from another person's perspective. He is a great direct communicator and knows how to raise and discuss common living issues and problems in a non-threatening manner. He is hyper-sensitive and is always tuned into how another person might "feel" in a given situation. He likes to have fun too.

To tell the truth, I really can't think of anything of consequence on the negative side of the personality ledger when it comes to Wan Harris Zaky Hj. Ibrahim. All in all, I would have to say that Wan Harris Zaky Hj. Ibrahim is a fine, well-balanced person, dependable, reliable, hard-working, conscientious, honest, courteous with an abundance of positive qualities. I'm happy to provide further information if required.

Yours Sincerely,

KAMARUL AZAM MOHAMAD
